The Treasurer of Teachings, *Shaykh Ahmad Dabbāgh* has arrived at the blessed City of Madinah Tul Munawwarah, and is seen here praying in Al-Masjid An-Nabwī.

12 Conditions of Repentance

There are 12 conditions of repentance (tawbah) on which the Prophet ﷺ would take bayah on

Anyone who could commit to the following were allowed to take bayah (allegiance) with the Prophet ﷺ

They were the conditions on which the Prophetic society was built on.

- 01 Tawbah from associating partners with Allah ﷻ
- 02 Will not adopt unlawful means of earning.
- 03 Stop the major sins the abominable acts.
- 04 One will not kill one's children as it was the custom of the old times (and in some remote places even now). This in the 21st century refers to not giving a proper Islamic upbringing of children and burying them in the ground of sins and evil.
- 05 Tongue should not be used against the commands of Allah ﷻ
- 06 One will commit to following to the sunnah of the messenger of Allah ﷺ when someone feels like it or not, feel lazy or active.
- 07 Always wish good for others, especially Muslims.
- 08 Spend in the way of Allah ﷻ no matter what you have. If you have little, doesn't matter, spend what you can. As it is the quality Allah ﷻ looks at.
- 09 When you live in society you will try and stop evil and help establish good.
- 10 You will not abandon any good deeds or the sunnah due to criticism and blame from creation.
- 11 Always support the side of truth no matter which side it comes from.
- 12 Protect the Prophetic way. By living it and also protect the ulema, awliyah and mashaykh of the ummah. They are the pillars who carry the ummah so they need support and help where possible.

Movie Night!

Prophetic Path Youth Girls hosted a movie night!

It was a perfect opportunity for our young sisters to relax, socialise and have a good time in a safe and halal environment.

Prophetic Path Youth Girls is a youth organisation that offers young girls opportunities to come together with their peers, and experience fun and engaging activities every month.

Prophetic Path Youth is teaching the youth the importance of a balanced life, and that it's possible to have both Deen and Dunya.

Man vs Mountain 2023

Things may seem quite on the DWT Man Vs Mountain 2023 challenge.

But don't be fooled. In the background brothers and sisters are out. Even in the snow! Training hard.

The beauty of this challenge is that our families, children can also be part of it. They can also enjoy and be part of our individual training sessions.

As a whole if you really want to enhance your relationship with Allah then you want to be out in these places and just be in awe of the beauty.

You can't **not** connect with Allah ﷻ when you're here. Amazing scenery.
