BLESSED TRIP TO FÉZ

VISITING DENMARK IN CRISPY WINTER

DWT'S EFFORTS IN GAZA

November 2023

VISITING THE BELOVED IN FÉZ

SYIIDUNA ABDUL AZEEZ DABBĀGH

In a journey spanning from October 24th to November 7th, the esteemed Shaykh Ahmad Dabbagh embarked on a spiritually enriching journey to the venerable city of Fez in Morocco. Nestled within its ancient walls lies the resting place of numerous Friends of Allah, with the eminent Syyiduna Abdul Azeez Dabbagh standing as the paramount figure among them.

A significant portion of Shaykh Ahmad Dabbagh's visit was devoted to the shrine of our grand shaykh, where he gracefully conducted sessions of naseeha (spiritual advice), dhikr (remembrance of Allah) and meditation.. It was a profound opportunity for spiritual

seekers to immerse themselves in the teachings and blessings emanating from the sacred grounds.

Participants from various corners of the globe, including the UK, Denmark, and Pakistan, converged in Fez to partake in the spiritual wisdom imparted by Shaykh Ahmad Dabbagh.

The atmosphere at the shrine resonated with the echoes of sincerity and devotion, creating a spiritual haven for all those in attendance.

During the trip, the group embarked on another sacred venture to the

mountain of Tetuan, where they paid homage to the revered Syyiduna Abdussalaam bin Masheesh.

In the heart of Fez, amid the tranquility of the shrine, and on the sacred slopes of Tetuan, a global community united in pursuit of spiritual elevation, marking this visit as a chapter of profound significance in the ongoing narrative of Tareeqah Muhammadiyah.

DENMARK

In a harmonious blend of spirituality and Scandinavian serenity, Shaykh Ahmad Dabbagh graced Denmark with his presence in the crisp month of November. The visit unfolded as a spiritual tapestry, weaving together moments of profound contemplation, collective remembrance, and communion with nature.

The heart of the spiritual journey was the Zawiya in Copenhagen, where regular gatherings of dhikr (remembrance of Allah) and naseeha (spiritual advice) became the rhythmic pulse of the days. Within the sacred walls of the Zawiya, attendees found themselves immersed in the timeless teachings and wisdom shared by Shaykh Ahmad Dabbagh. The air resonated with the echoes of prayers and the collective yearning for spiritual elevation.

Despite the frosty weather, each morning bore witness to a unique ritual that transcended the physical chill – a pilgrimage into nature. Following the Fajr prayer, the brothers of the community accompanied Shaykh Ahmad Dabbagh on invigorating walks amidst the scenic beauty that Denmark offered. The frozen landscapes became a canvas for spiritual reflection, as the group, bound by shared devotion, navigated through the stillness of the early hours.

YOUR DONATIONS HAVE REACHED GAZA

DISTRIBUTION OF RATIONS & FOOD TAKING PLACE

We extend our heartfelt gratitude to those who have already contributed to alleviating the suffering in Gaza. Your compassion and generosity have made a meaningful impact, providing much-needed relief to those affected by the ongoing challenges in the region.

However, the situation in Gaza remains dire, and the need for humanitarian aid has never been more critical. Families are facing unprecedented challenges, and the basic necessities of life, such as food, clean water, and medical care, are increasingly scarce.

The Prophet Muhammad (peace be upon him) said: "The believer's shade on the Day of Resurrection will be his charity."

Your donations, whether big or small, serve as a source of relief, a means of hope, and a demonstration of the Islamic

virtues of compassion and charity.

As we witness the struggles faced by our brothers and sisters in Gaza, we are reminded of the words of Allah in the Quran: "The example of those who spend their wealth in the Way of Allah is like that of a grain of corn that sprouts seven ears and in every ear there are a hundred grains." (Surah Al-Baqarah, 2:261)

Your donation, no matter the amount, can make a significant difference in the lives of those who are suffering.

May Allah reward you abundantly for your generosity, and may your support bring comfort to

the hearts and homes of those facing adversity.

JazakAllahu Khairan (May Allah reward you abundantly).
